**Sprint Report 2**
**Product Name: VTC**
**Team Name: VTC Team**
**2/18/18**

**Actions to Stop Doing**
- Stop being late for scrum meetings
- Notify team members if absent from a scrum meeting

**Actions to Start Doing**
- Start to get on track with the tasks
- Be more vocal at scrum meetings
- Let team members know if you need any help
- Stay focused throughout the entire scrum meeting
- Leave better code comments so teammates can catch up faster
- Commit and push code

**Actions to Keep Doing**
- Scrum meetings
- Remain vocal about concerns and thoughts on project
- Steady progress on tasks and user stories

**Work Completed**
- Firebase research and general user authentication
- Firebase: email verification, Facebook user account link, storage -> image upload, password reset function, database manipulation
- "Add Friends" page created
- Page for individual friends
- React-native-navigation for camera and camera roll
- Photo selection (one at a time) in camera roll, provides a photo uri
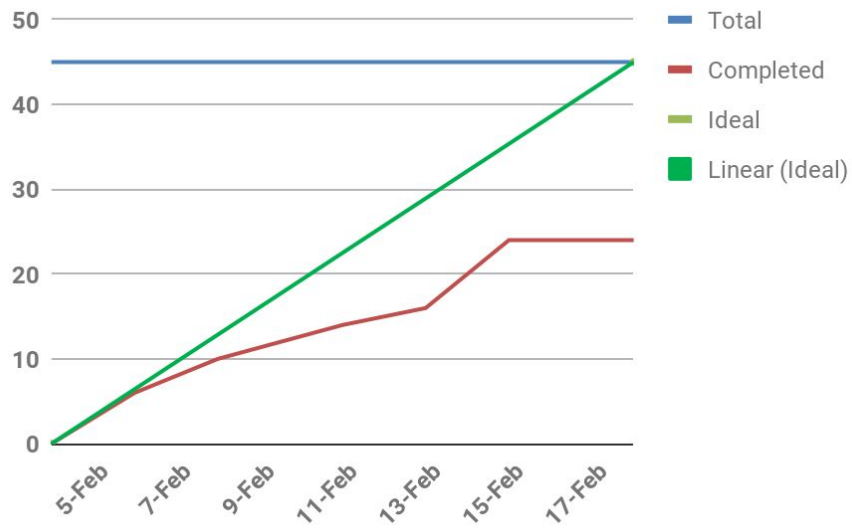

**Work Not Completed**
- Facebook login
- Import friends from facebook database to VTC friend page
- Firebase not yet merged/integrated with pages, retrieving images from firebase storage
- Photo preview in camera roll
- Profile with name etc.
- Implement setting a time to send back data to user

**Work Completion Rate**
- Completed 8 out of 14 assigned tasks within the 2 weeks of Sprint 2
- Slow physical work completed initially, with time being spent researching
- Work sped up as sprint ended

- Approximately completed 0.57 tasks per day
- Average ideal of 2 work hours/day
